- Gas inlet with NG orifice or LP air mixer
- Match lit: key valve and flex gas lines
- Electronic: AWEIS ignition, 24V transformer, flex line

NOTES

- All dimensions in inches, nominal. Hand-cast concrete varies slightly piece to piece.
- Drawings show shape only and are not to scale. Use the table for sizes.
- Confirm critical dimensions with us before you build a base, cut an opening or run gas.
- TBC = being confirmed with the manufacturer. Ask us for the confirmed figure.
- Installation by a licensed gas technician, following local codes.
