FUEL	Natural gas or propane
IGNITION	Match lit (key valve) or electronic (AWEIS 24V)
FIRE MEDIA	Not included. Lava rock or fire glass sold separately
LEAD TIME	Built to order. Ships in about 6 to 8 weeks

FINISHES · 9 GFRC INTEGRAL COLORS (HIGH HEAT)

ARCTIC · SLATE · COAL · RAVEN · IVORY

BONE · NOCHE · CANYON TAN · CHARCOAL BROWN

INCLUDED

- Concrete vessel in the color you pick
- Stainless steel burner and burner pan (sizes in the table)
- Gas inlet with NG orifice or LP air mixer
- Match lit: key valve and flex gas lines
- Electronic: AWEIS ignition, 24V transformer, flex line

NOTES

- All dimensions in inches, nominal. Hand-cast concrete varies slightly piece to piece.
- Drawings show shape only and are not to scale. Use the table for sizes.
- Confirm critical dimensions with us before you build a base, cut an opening or run gas.
- * Nominal opening = outer size minus 2 x tabletop (E).
- Installation by a licensed gas technician, following local codes.
