Confirmed at order, call 866-881-4048 for current stock

WHAT IS INCLUDED

- Torch head with burner
- Automated: AWEIS ignition with 24V transformer
- Match Lit: key valve and flex gas line

MOUNTING (SOLD SEPARATELY, ONE PER TORCH)

- Aluminum powder coated pole: 80 in. tall, 68 in. above ground with 12 in. buried
- Faux bamboo pole for a tropical look
- Stainless deck mount for decks, wall caps and hard surfaces

AVAILABLE ADD-ONS (AUTOMATED ONLY)

- Remote control kit: one 4-zone key FOB kit runs up to four torches
- Mechanical wind-up timer: one timer runs the whole set
- Emergency shut-off kit: one kit covers the whole set

Dimensions and weights are nominal from the Fire by Design 2025 catalog and can vary slightly because each piece is hand-cast. Confirm critical dimensions with our team before you build a base, cut an opening or run gas. Specifications can change without notice.
